

MEDITERRANEAN
WOODFIRED OVENS

The **NEW** 21inch Table Top Dual Oven

A portable table top oven to take cooking outdoors to a different level

Only
\$495

A dual fuel ceramic oven that can be used with either charcoal or hard wood
Main body diameter: 53.3cm | Pizza stone size: 33.8cm | Weight: 27kg

- More than a pizza oven — cook anything from pizzas to breads, meats, seafood, vegetables and desserts
- Aesthetically pleasing making it a focal point in any area
- Perfect for courtyards, balconies, apartments, holiday homes, caravans and camping
- Fast light up — 20 to 30 minutes maximum and be ready for cooking
- No cleaning or maintenance required
- Uses very little firewood
- Fully weatherproof and can be outside without any covering
- Super efficient and doubles as a heat source in the colder evenings
